

Beyond Brexit

**VOTE for JOHN POYNTON in EALING SOUTHALL in
the GENERAL ELECTION on THURSDAY, 8th JUNE**

UKIP today is probably the most inclusive and diverse political party in the country. We are a centre radical libertarian one-nation party that wants change. Our members come from all walks of life and ethnic backgrounds, united in the common objective of getting Britain out of the European Union. However now that the Referendum has been won, people are asking what's next for UKIP? First a full Brexit has to be delivered, but then it is important to understand that Brexit is only the gateway to our salvation. It all depends on how we use it.

The Tories won't do anything with Brexit and will fail to control immigration

Labour don't even want to leave the EU and do want mass immigration

Only UKIP will really deliver on Brexit

STAY WITH US – WE WILL HAVE TO PICK UP THE PIECES IN 2022.

We have policies which will:-

- Raise wages and narrow the income and regional gaps,
- Balance trade, migration and the budget, and hedge our national debt,
- End austerity, reduce unemployment and restore our public services,
- Reduce rents and build all the houses we need on brownfield sites,
- Introduce constitutional reform and proportional representation,
- Cut the bloated foreign aid budget,
- Champion small business,
- Fund our armed forces and look after our veterans.

Many of these policies can only be accessed through Brexit. You can find more detail on our branch website at ukipealing.com or national site at ukip.com

BECOME A PAPER CANDIDATE

for the local elections in May 2018

You won't have to do anything and it won't cost you anything. We will give you free membership for a year (provided you are not a member of a proscribed party – there is a form to fill in) and you will then be able to see your name on the ballot paper. The advantage for us is that :-

- We can ensure that we have candidates in every ward (23 in Ealing) for people to vote UKIP
- We will get the election results showing how many people voted for us.

Of course you can campaign as well if you like, in which case you might get elected as a ward councillor and receive an extra £10,000 a year. That's up to you. We can help you with leaflets and so on. Phone Peter McIlvenna on 07736 434037 or email him at ukipealing.chairman@gmail.com if you are interested.

UKIP is serious about local democracy. Ealing is one of the worst run councils in the country – for example did you know we have the fourth worst record for restaurant hygiene in the UK? The established parties have been at it for years and take it for granted. They need a kick up the backside. Whether as a voter or a candidate you can help us give them one!

In Ealing UKIP wants to:-

- End fly-tipping by providing small businesses with free recycling centres,
- Clean our streets at least once a week and more often where necessary,
- End the clutter caused by wheelie bins and provide smaller ones where required.
- Provide free parking for longer-term residents and reduce the number of permits granted to non-residents.
- Hugely improve restaurant and civic hygiene
- Oppose the Heathrow third runway and reduce pollution
- Tackle illegal HMOs and unscrupulous landlords
- Oppose the closure of Ealing Hospital A&E and maternity units
- Support more affordable and social housing
- Support improved local rail connections.
